

2018 Elisabeth Mann Borgese Centenary

Public Panel Discussion and Book Launch **The Future of the Ocean?**

Thursday 1st November

4:00 to 5:30 p.m.

University Hall, Macdonald Building
Dalhousie University

IOI-Canada is pleased to launch the publication of *The Future of Ocean Governance and Capacity Development – Essays in Honor of Elisabeth Mann Borgese (1918-2002)*. An expert panel drawn from the 80+ authors will discuss key themes raised by the book in relation to future challenges and opportunities.

Moderator:

Paul Withers, CBC

Panel members:

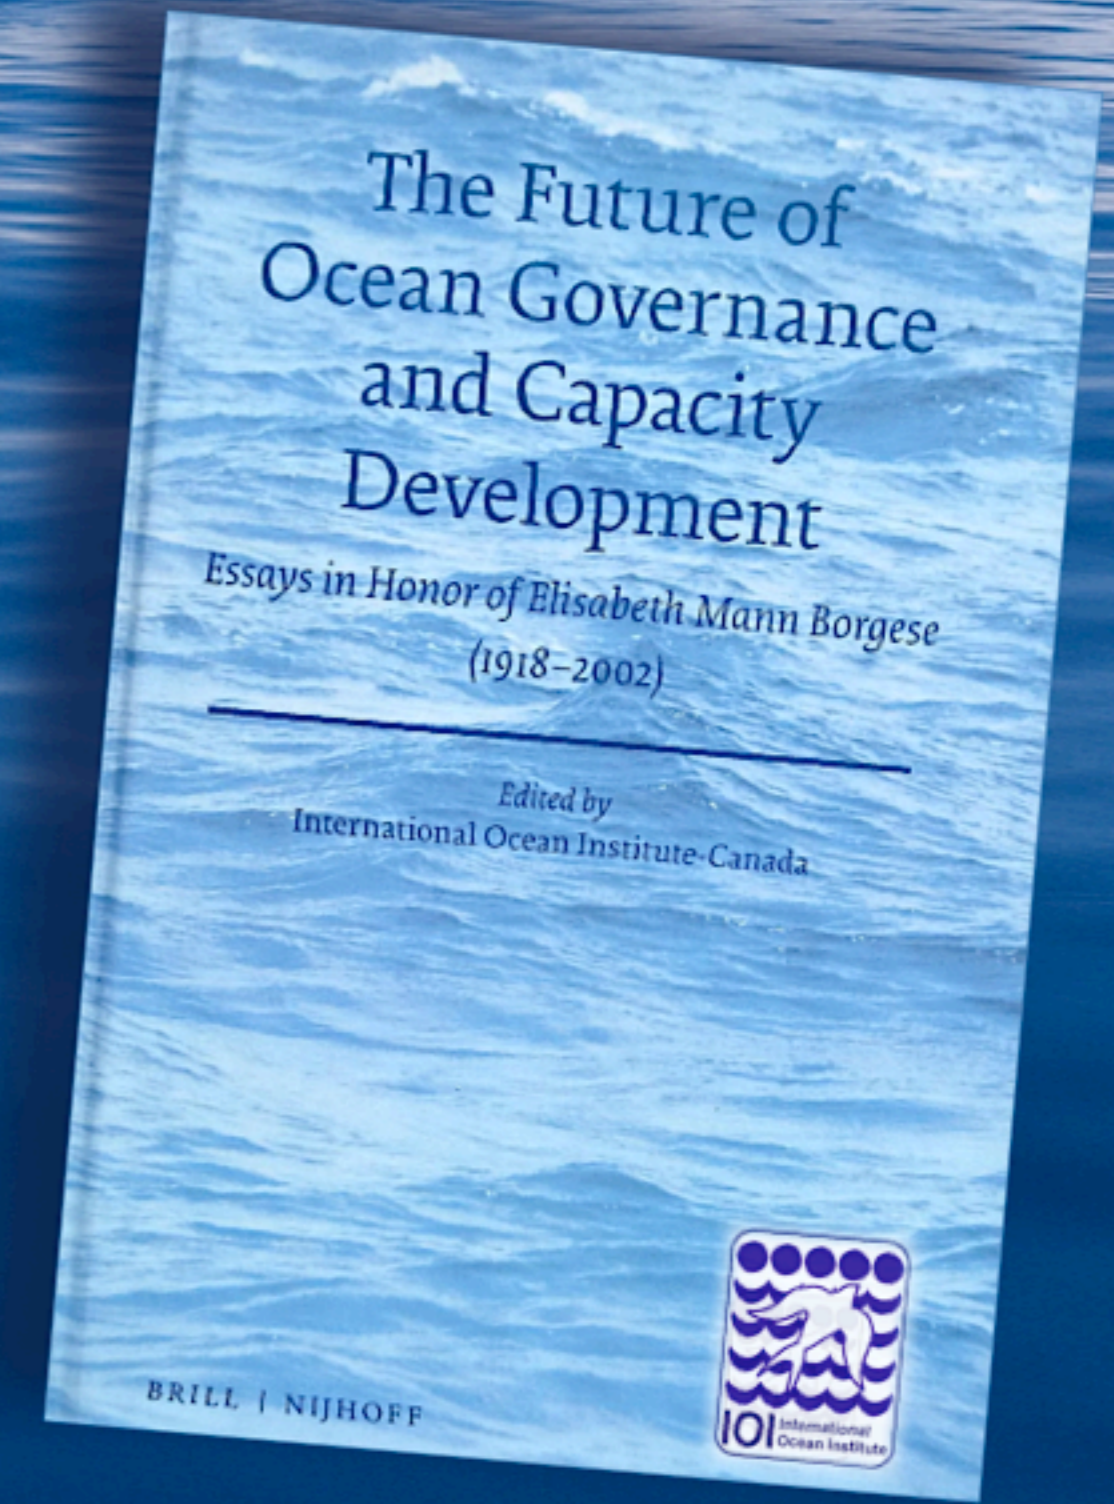

Tony Charles, Environmental Science Department, Saint Mary's University

Lucia Fanning, Marine Affairs Program, Dalhousie University

David VanderZwaag, Schulich School of Law, Dalhousie University

Wendy Watson-Wright, Ocean Frontier Institute

Boris Worm, Biology Department, Dalhousie University
