

International Ocean Institute - Canada

**2023 Elisabeth Mann Borgese Ocean Lecture**

# **A FRAMEWORK FOR OCEAN-CLIMATE ACTION**

**DR ANYA WAITE**

**CEO & Scientific Director  
Ocean Frontier Institute (OFI)  
& Associate Vice-President  
Research (Ocean)  
Dalhousie University**

*This lecture will focus on how to achieve meaningful ocean-climate action, with reference to two initiatives led by Dalhousie and OFI: the North Atlantic Carbon Observatory and the Transforming Climate Action research programme.*

**Thursday 28th September: 7.00 p.m.**

**Room 1020, Rowe Building, 6100 University Avenue**

**All welcome. Reception to follow.**
